Gain Efficiency in Material Handling

The **BulkCart** version of our **opti cart** line is used to transport full cases from your Distribution Center to your point of sale. The reusable cart is designed to quickly and safely move bulky products without product damage.

Benefits:

- ❑ Rapid loading and unloading for bulk goods
- ❑ Straps or net secure load and prevent product damage
- ❑ Optional shelves separate product
- ❑ Reusable equipment: No disposal of pallets or shrink-wrap
- ❑ Can compress 6 to 1 to reduce storage/return footprint
- ❑ Different caster configurations available
- ❑ Compact design for front door delivery
- ❑ Tested and rated for 1,100 lb. stationary; 650 lb. in motion
- ❑ Black molded plastic will not fade, dent or discolor
- ❑ Available in 23" and 28" width
